

What to bring to Lockhart's Landing

After many years of “going to the lake” we’ve come up with a basic list of essentials. All cabins have basic cutlery, plates, cups, pots, pans, toaster & coffee maker. Bedding and Keuring coffee machine is provided in “Dreamcatcher” cabin, but bring your own K-cups. Basic pillows will be provided in all cabins. Remember a little planning goes a long way, and saves on your vacation time.
